I'm Carlitos. Carlitos is Charlie in **English**. I'm 12 years old and I come from Argentina. I live on a ranch. I've got two brothers, Marcus and Huan. We speak **Spanish**. I love forests. I cry when they chop down the trees.

Hello. I'm Tammy. I'm ten and I live in Cincinnati, Ohio. Ohio is in the east of the USA. It is a big city. About 3 million **people** live here. I've got three hamsters and two dogs. When I grow up I want to work in a pet **shop**. My favourite food is a turkey sandwich.

Hi! I'm Tina. I'm from Maribor. Maribor is in Slovenia and Slovenia is in Europe. I don't really like school but I like my friends. In my free time I listen to music and play with my cat Cuma. I also like to play computer games, especially Tomb Rider. Do you like it, too?

Good morning. My name is Nicodemu. I am eight years old and I am from Tanzania. I like earrings and bracelets. In my tribe men and women wear earrings and bracelets. My **father** has two wives and two houses. I've got two brothers, three half-brothers and four half-sisters. My family has got ten cows and some goats, sheep and donkeys. My **favourite** are the goats.

I'm Suchart and I'm 12. Suchart means 'the one that is born into a good life'. I live in a budist temple and I want to become a budist priest. In the temple we all wear orange **clothes**. We don't have any shoes because we don't need them. We can **watch** TV once a week but I really don't like it. I prefer to play football with my friends.

Hi! My name's Broome and I live on the south coast of Australia. My village is small. My school is small, too. There are only 12 **pupils** and one teacher. I like to watch the penguins and seals play. I like to chase crabs in the sea. I'm **afraid** of sharks. One day I want to go to a circus.

Lili writes an article for her school magazine. The article is about modern **technology**, also called ICT - Informative Communicative Technology. These are computers and **mobile** phones. The article says that modern **children** spend hours in front of the computers or on their mobile phones.

Lili's parents have got a **computer** at home. Lili's only got a mobile phone. It's not the **smart** phone because she's only 12 and her parents want to **protect** her.

Smart phone is just like a computer in a smaller size. It's called smart because you can **take** photos, record sounds, talk to other people, has **internet** and much more. Her parents are quite **strict** about using phones and computers. They've got **rules** which the whole family has to obey. The most important are that Lili mustn't go on **websites** which are not allowed, mustn't have **Facebook**, because she's not 13, and she mustn't give her address, school name, e-mail, and a phone number to **strangers**.

Some of her friends make **fun** of this, but Lili doesn't care. She believes that **safety** comes first.
